**Subject:** Request for permit records in the Point of Pines on the Lynnway, Pines Road, Harrington Ave, Chamberlain Ave, Alden Ave, and Bickford Ave between October 26 2025 and November 3, 2025

Dear Ashley,

My name is Robert Bamberg, and I am a Revere resident and homeowner living at 8 Alden Ave in the Point of Pines. I had contacted you earlier this year regarding this same project at 140 Lynnway, when I sought maps of the underground infrastructure utility lines that run throughout the Point of Pines. See Massachusetts Supervisor of Records cases SPR25/2765, and SPR25/3265 for more information.

I am I am now requesting copies of the permits issued for street/sidewalk opening and paving work performed in the overnight hours between October 26, 2025 and November 3, 2025. The work included digup and paving of:

- The north bound lane of the Lynnway from address 6 to where the road meets the on-ramp to the General Edwards Bridge and the beginning of Rice Ave.
- The south bound lane at 140 Lynnway, and
- Portions of Pines Road, Harrington Ave, Chamberlain Ave, Alden Ave, and Bickford Ave.

If possible, please include the applicant name, and any attached site plans or approvals.

Please respond to this email so that I am sure that you are in receipt of this public records request. Thank you for your continued assistance in this matter.

Sincerely,  
Robert Bamberg
